COURSE DESCRIPTIONS AND FEES

All Around Me (PreK A) - This course will introduce your little one to up, down, under, across, over and beyond. **COST \$0 for copies & supplies**

Art (2nd- 5th) - This course is taught by our new art teacher Linda Goddard. Students will experience "Monday Montage" where they will comprise different elements of art (line,value,composition,etc.). Famous artists and styles of art will also be discussed while the students use various media to create our own versions of these artists and their works. For home use each student is required to have a 9x12 sketch pad or larger as well as the following pencils: HB, 2B, and 2H. **COST \$40 for professional fees, copies and classroom supplies**

Art (K-1st) - Students will explore classical and traditional techniques while using different mediums. This course will be guided by the book Art Adventures At Home and taught by a couple of our artistically talented home school moms. **COST \$10 for copies & supplies**

Art Skills (Prek B&C) - Students will practice in small motor skills while creating some wonderful pieces of art. **COST \$6 for copies & supplies**

Creative Writing (2nd-5th) - Through fun games and exercise, these writing students will learn to express themselves in person as well as on paper in various creative ways. A weekly writing assignment will be given. **COST \$5 for curriculum, copies & supplies**

Gym Time & Board Games (Prek - 5th) - All the kids come together for some age appropriate fun and exercise. This inexpensive fee will be combined to purchase new sports equipment for the church as well as new critical thinking games for the co-op. **COST \$2 for new and/or replacement equipment**

Life Skills (2nd-5th) - Join us as we review safety, fitness, manners, and kitchen skills just to name a few. This course may count toward your required health credit for the school year. **COST \$10**

Story Time (PreK A) - Our home school mom will take this time to read age appropriate stories to the children to enhance their vocabulary. **COST \$0**

Weather (PreK B&C) - This course will introduce your child to rain, sunshine, snow storms and more. **COST \$3 for copies & supplies**

Weather (K-3rd) - Through hands on experiments, reading stories, interesting crafts and experiment tracking, these young scientist will learn about the world around them. This course is based on the Weather unit studies by Evan Moor. **COST \$6 for curriculum, copies & supplies**

Weather (4-5th) - Explore the ins and outs of weather from formation to devastation. Your child will get excited as we learn all the science behind what he sees outside. This course is based on the Christian curriculum "The Weather Book" by Wonders of Creation. **COST \$8 for curriculum, copies & supplies**

Writing Fun (K-1st) - This course will introduce your young writer into the world of creating a story while utilizing all the cool tricks to get it onto the page. A weekly writing assignment will be given. **COST \$4 for curriculum, copies & supplies**
